

SEO EXPERT for E-commerce Brand

Project description:

Experienced SEO expert specializing in e-commerce for a US-based home decor brand. Delivered 1.17k clicks, 141k impressions, a 0.8% CTR, and an average Google ranking position of 18 for 3000+ keywords.

By utilizing in-depth keyword research, on-page optimization, and improving site architecture, I significantly enhanced the brand's organic traffic and search engine visibility.

If you're looking for an SEO specialist to boost your e-commerce site's rankings and drive targeted traffic, I can help you achieve similar success!
